

Health care that meets you where you are

Can't make it to your doctor's office, or prefer to meet with a provider virtually from the comfort of your home? Your Aetna® Medicare plan includes the convenience of telehealth benefits.

With telehealth—you can get nonemergency virtual care by phone, video or mobile app, anywhere you are, including after hours or on the weekend.

Many services are covered, including:

- Routine care
- Sick visits
- Urgent care (walk-in clinics)
- Prescription refills
- Behavioral health services (individual and group sessions)

If you need emergency care, call 911 or go to the nearest emergency room immediately.
